

DISABILITY AWARENESS BIRCHINGTON

The Disability Awareness Group has been set up to provide awareness, support and highlight issues for residents, carers and anyone with disabilities in the village of Birchington. It will be formally launched on the 27th of July 2024, with an event on Dog acre. Further information will be in the Parish magazine and in local shops.

We recognise the word Disability will mean different things to different people; however, this is an opportunity to get a local view on associated issues.

The aim of this Questionnaire is to take informal feedback from the local community on any issues related to registered or unregistered disabilities. Additionally, whilst we recognise, impairments may be associated with simply getting older, these issues are equally important.

Please take the time to complete this questionnaire to assist us in understanding the issues, if you don't have time today -

Please take a copy and return it to any of the following:

Birchington Parish Council Office	Brills
Mandys	Fields cafe
Priceless	The Parlor
Birchington Fabrics	Main Co-op
Birchington Library	The Recycle Shop
Joe's Café	Safe Hands Mobility

Thank you for your assistance.

Remember Disability does not mean inability.

Your Age

Gender

Do you have a registered Disability?

Yes / No

are you happy to share what that is?

Do You have any disability, not registered, that affects your daily life?
e.g. Mobility, Sight, Learning Disabilities, Well Being/Mental health, other.
